Praz-sur-Arly

The village of Praz-sur-Arly is located at an altitude of 1,035 meters, in the Val d'Arly, between Megève and Flumet. It is bathed by the Arly river, upstream of its gorges and sees the Cassioz stream and Varins stream pass by.

Praz-sur-Arly in the Pays du Mont-Blanc is an ideal spot for your holidays. Nestled in the heart of the Savoyard Departments, with easy access, this authentic village offers very varied scenery. Come and discover the mountains and spectacular views of the Mont Blanc range.

Praz-sur-Arly has become famous for its hot air ballooning and its annual international "Montgolfiades". It is THE main spot for hot air ballooning in the mountains. Flying noiselessly past the Mont Blanc is, one has to say, an exceptional privilege!

Praz-sur-Arly is the French commune with the most AOC cheeses: six in all (4 AOC : Beaufort, Reblochon, Abondance and Chevrotin, 2 IGP : Tomme and Savoy Emmental). We still have many working farms where you can discover our past heritage.

The lake!

Discover a fabulous new swimming pool in Praz sur Arly, facing the Mont Charvin...

an exceptional site for a refreshing summer break! A swimming lake supervised by lifeguards with free access for all, isn't that just heaven? A lake created with two different swimming areas to satisfy all your desires!

ZONE 1: A supervised public swimming area with a surface area larger than an Olympic-size swimming pool! Graduated depths from 0.30cm to 2.50m to satisfy both young and older swimmers... fantastic!

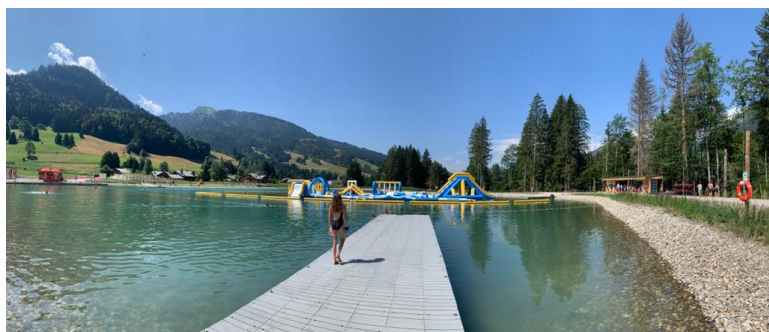

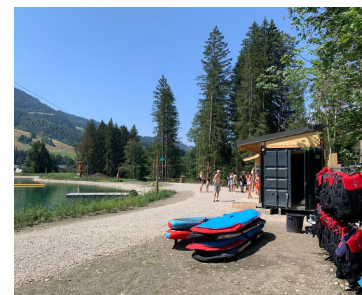

ZONE 2: An area reserved for water sports activities, where you can enjoy our giant Aquaparc and paddles for hire. A large public beach beside the swimming area, ideal for sunbathing between swims! Life is great at Praz Lac Aventures!

Access to the swimming lake:

The main access to the swimming lake is from the Belles Leisure Park via a footbridge over the Arly River.

Thanks to a footpath created right around the lake, accessible to people with reduced mobility from Les Belles or the Cassioz road, users will be able to reach the beach and the reception building in which sanitary facilities, a lifeguard's room, a storage room, a snack bar and a reception office are planned. They will also be able to reach the Accrobranch tree climbing course on the banks of the Arly.

Only open in Summer.
